ALLEN FIELDHOUSE GAMEDAY

Nothing compares to the energy and noise of a packed Allen Fieldhouse. From confetti throwing to bleacher stomping, Lawrence is a community of die-hard basketball fans. Named in honor of the late Dr. F.C. "Phog" Allen, the Jayhawks' head coach for 39 years, Allen Fieldhouse is labeled by many as one of the best places in America to watch a college basketball game. With capacity seating of 16,300, Allen Fieldhouse is the largest basketball arena in the state of Kansas and the second largest in the Big 12 Conference.

KANSAS SET A BIG 12 SINGLE-GAME ATTENDANCE MARK WITH 16,113 FANS IN ATTENDANCE FOR THE JAYHAWKS' 2009 WNIT CHAMPIONSHIP GAME VERSUS SOUTH FLORIDA.

TOUGH & TOGETHER

SPORTS MEDICINE

Kansas Athletics is collaborating with The University of Kansas Health System and LMH Health to launch Kansas Team Health, a new model of care that makes the resources of The University of Kansas Health System and LMH Health available to provide the best care possible for KU student-athletes, and clearly establishes the responsibility of care with medical professionals, while minimizing potential conflicts of interest between coaches and sports medicine staff.

Kansas Team Health staff continue to constantly be on the cutting edge of injury prevention and rehabilitation. Using such state-of-the-art equipment as aquatic rehabilitation pools and monitored rehab systems, as well as a multitude of hands-on techniques, the staff at Kansas is able to implement programs for its athletes, which have resulted in significantly faster and safer return to competition.

"ROCK CHALK" CHANT
"Rock Chalk" chant has been the battle cry of KU fans since 1886. This traditional cheer, ronounced the greatest college chant by Teddy Roosevelt, is known worldwide.
Originally the chant was "Rah, Rah, Jay-Hawk, KU," patterned after the click-clack train wheels by E.H.S. Bailey, professor of chemistry. Later, the rahs were replaced by "Rock Chalk," the name of the limestone cropping found on Mount Oread, site of the Lawrence campus.
"Rock-chalk-Jay-Hawk, K-U-U-U!"

6

"Give the world the best you've got and the best will come back to you."

PHOG ALLEN

1. THE NICKNAME: JAYHAWK

The University of Kansas is the home of the Jayhawk, a mythical bird with a fascinating history. Its origin is rooted in the historic struggles of Kansas settlers. The term "Jayhawk" was probably coined about 1848. Accounts of its use appeared from Illinois to Texas. The name combines two birds - the blue jay, a noisy, quarrelsome thing known to rob other nests, and the sparrow hawk, a stealthy hunter.

2. THE ALMA MATER

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure, he thought of the Cornell song "Far Above Cayuga's Waters." Hastily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but "Crimson and the Blue" still goes on. The music is not Cornell's but an old English folk tune, "Annie Lisle."

3. CAMPANILE HILL

Campanile Hill forms the picturesque backdrop for David Booth Kansas Memorial Stadium. On a sunny fall Saturday, the "Hill" is transformed into a congregating place for watching Jayhawk football, sunning and barbequing. Potter Lake, just to the southwest of David Booth Kansas Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

4. THE K RING

The K Ring symbolizes a uniquely shared experience between generations of varsity letterwinners at the University of Kansas. As a Jayhawk you are expected to uphold tradition and retain the characteristics of a champion while continuing to create your own legacy.

5. WAVING THE WHEAT

Since the early days of KU sports, it has been a ritual of Jayhawk fans to "wave the wheat" following every Kansas scoring drive in football. The tradition also extends to Allen Fieldhouse where fans "wave the wheat" when an opponent fouls out and at the conclusion of every Jayhawk victory. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

6. THE ROCK CHALK CHANT

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange, traditional chant, which is among the most famous of all college cheers, was started by E.H.S. Bailey, a professor of chemistry. On May 21, 1886, Bailey submitted the cheer to his club.

Brandon Schneider is entering his sixth season at the helm of the Kansas women's basketball program. He became the sixth head coach to lead the Jayhawks when he was hired on April 20, 2015.

Schneider coached Kansas to its best season in seven years during 2019-20. Kansas opened the season perfect after going 11-0, which led to the Jayhawks receiving votes in the Associated Press poll. Conference play was highlighted by victories over Texas Tech, Texas, Oklahoma and Oklahoma State. The upset over Texas was a first since Jan. 23, 2013. Schneider guided KU to its first winning season since 2013 with a 15-14 overall record.

Schneider's Jayhawks saw success in the classroom as well as on the court. Freshman Zakiyah Franklin made program history becoming the third Kansas women's basketball student-athlete selected to the All-Freshman Team in the Big 12's 24 seasons. Five Jayhawks collected Academic All-Big 12 honors with senior Niccolly Ramalho highlighting the group. Ramalho was one of four among the Academic All-Big 12 Women's Basketball Team with a 4.0 grade point average. Senior Mariane De Carvalho, junior Bailey Helgren and sophomore Anyia Thomas were also first-team selections. Sophomore Brooklyn Mitchell was named to the second team. Ramalho also was a recipient of the Dr. Gerald Lage Academic Achievement Award, the Big 12's highest academic honor.

In his fourth season, Schneider kicked off the 2018-19 slate with a 7-1 start, which led to the Jayhawks receiving votes in both the AP and USA Today Coaches polls, Kansas concluded nonconference action with a 10-1 record and a tournament title after winning the Duel in the Desert in Las Vegas.

Under Schneider's guidance, two Jayhawks reached the 1,000-point plateau during the 2018-19 season. Both Kylee Kopatich and Jessica Washington recorded over 1,000 points in their careers.

Two Jayhawks received All-Big 12 honors in 2019 with the senior duo of Kopatich and Christalah Lyons being named to the honorable mention team. The selection marks Lyons' second All-Big 12 honor in two seasons and the first of Kopatich's four-year career. Off the hardwood, Kansas had four student-athletes garner Academic All-Big 12 honors, including three selected to the first team and one to the second team.

In 2017-18, Schneider and the Jayhawks opened the season with a seven-game winning streak, the best start for the program since the 2012-13 campaign. KU's 7-0 start was just the beginning of another season of improvement under Schneider's direction.

The Jayhawks not only increased their win total from a season ago but collected their first victory over a nationally-ranked opponent under Schneider and first since the 2014 campaign. Junior guard Christalah Lyons became the Jayhawk to earn Big 12 honors under Schneider's guidance.

Throughout his third season as head coach, Kansas bettered its field goal percentage from 33.8 percent from a year ago to 38.3 percent this year. KU's defense especially stood out in 2017-18, with Kansas' scoring defense and field goal percentage defense ranking among the best in the Big 12 Conference and the nation during the season. The Jayhawks held their opponents to shooting 39.4 percent from the field this season, improving from the 43.3 percent they held their opponents to last season.

Kansas not only saw improvement on the court but in the classroom. Five Jayhawks received Academic All-Big 12 First Team honors, the most since 2015.

During his second season leading the Jayhawks, Schneider guided Jessica Washington, the first student-athlete he signed as KU's head coach, to new heights in 2017-18. Washington, a transfer, became the first Jayhawk to earn Big 12 Newcomer of the Year honors. She led the league with 19.3 points per game during conference action, while averaging 17.1 points throughout the season.

Under Schneider's leadership, four Jayhawks earned academic accolades at the conclusion of the 2016-17 season, the most honorees for Kansas since the 2009-10 season. In all, seven Jayhawks have been recognized for their efforts in the classroom since Schneider came to campus.

Schneider came to Kansas after a five-year stint at Stephen F. Austin, where he returned SFA to the top of the Southland Conference. SFA won back-to-back league titles in 2013-14 and 2014-15 and the Ladyjacks made three postseason appearances. As head coach at Stephen F. Austin, Schneider was 95-66 overall in five years and 57-29 in Southland Conference play.

During the 2014-15 season, Schneider guided the Ladyjacks to their second-straight Southland Conference title and a 23-8 overall record, marking the third time in his tenure that the SFA reached the 20-win plateau. Schneider was named Southland Coach of the Year after the Ladyjacks finished with a 16-2 league mark. Schneider mentored a handful of All-SLC Players during his time in Nacogdoches, including 2014-15 SLC Player of the Year Porsha Roberts, who was also a two-time Defensive Player of the Year.

The Ladyjacks finished the 2013-14 campaign with a 23-13 record and saw the team become the first in school history to win three games in a postseason tournament. SFA defeated Texas State and Boise State at home during the WBI and bested College of Charleston on the road to advance to the title game where SFA fell to Illinois-Chicago 73-64.

Schneider's team overcame adversity en route to its first conference title since 2010 and its 16th in the Southland overall. The Ladyjacks had one returning starter go down with an injury during preseason workouts and lost another starter five games into conference play. After losing the first two games following the second injury, Schneider and his staff made adjustments to see the team go 9-2 to close the regular season, including winning the last six straight. SFA overcame a five-game deficit in the Southland standings to tie for the regular-season crown. Schneider guided the team to the championship game of the Southland Conference Tournament as well for the second time in his tenure. Awards came in for SFA in the 2013-14 season for Porsha Roberts.

Schneider saw his team's top player win Southland Conference Defensive Player of the Year and become the all-time blocks leader in SFA history. Roberts averaged 17.0 points per game and shot an impressive 56.3 percent from the field. Her shooting percentage improved during league play where she hit 58.7 percent of her shots. Roberts was named first team All-Southland Conference and receive all-tournament honors during the WBI. Roberts averaged 22.5 points during the run to the championship game of the tournament.

The turnaround at SFA happened quickly for Schneider. In just his second season at SFA, he guided the Ladyjacks to the Southland Conference Tournament Championship and a 23-win season. It was the most wins by a Ladyjack team since the 2005-06 season when SFA also won 23 games and just the fifth 20-win season this decade. The increase in 11 wins from the 2010-11 season (12) to 2011-12 (23) was tied for the sixth-biggest turnaround in the nation.

Schneider also oversaw the development of the 2011-12 Southland Conference Freshman of the Year, Porsha Roberts, and SLC Newcomer of the Year, Ashlee Mells.

In his first full season as head coach of the Ladyjack basketball program, Schneider led SFA to a 12-18 overall record and a 9-7 mark in conference play. The Ladyjacks clinched a trip to the Southland Conference Championship Tournament and nearly pulled off an upset of No. 3 Central Arkansas in the first round before falling 64-58.

Schneider also oversaw the development of senior guard Tammara Marion, who was named to the All-Southland Conference second team, led the Ladyjacks and was fourth in the league averaging 16 points per game for the season along with 3.2 rebounds and 3.2 assists. She also set the single-season record with 72 made three-point shots. The Ladyjacks also led the conference in offensive rebounding with 16.8 per game.

Schneider entered his second year with high expectations after assembling a signing class that's ranked 35th in the nation according to Premier Basketball Report, of which included four McDonald's All-American Nominees.

Schneider was named head coach of the Ladyjacks on April 20, 2010. Recognized as one of the top names at the NCAA Division II level, Schneider went to Nacogdoches after a highly successful 12-year stint at Emporia State.

The Canyon, Texas native is the second all-time winningest head coach at the NCAA Division II level. At Emporia State, Schneider guided the Lady Hornets to a 306-72 (.810) record, and the 2010 NCAA Division II National Championship. The school's all-time leader in wins and winning percentage, Schneider ranks among the all-time top 10 in fastest coaches to 100 victories, and third fastest among women's basketball coaches.

Schneider spent 12 seasons at ESU guiding the Lady Hornets to 11 NCAA Tournament appearances. During that stretch, Schneider's teams recorded two 30-win seasons and nine 20-win campaigns. Along with the 2010 national championship, Schneider coached ESU to four NCAA Division II South Central Regional titles, two Final Four appearances, six regular-season conference crowns and three league tournament titles.

Schneider made it tough on conference opponents during his time with the Lady Hornets winning 80 percent of those games. ESU posted a 173-43 (.801) record versus MIAA foes. The Lady Hornets were nearly unbeatable at home sporting a 143-14 (.917) record under Schneider. Schneider posted a 39-26 (.600) record against nationally-ranked opponents, which included four wins over No. 1 ranked teams, and was 21-10 (.677) in the NCAA Tournament.

Schneider was the first MIAA rookie head coach to win both the MIAA regular-season and tournament titles. In 2006, the Kansas Basketball Coaches Association of four-year colleges voted Schneider as its coach of the year. He was also a three-time MIAA Coach of the Year.

POSTSEASON APPEARANCES

The 2010 Bulletin Women's Basketball National Coach of the Year and the WBCA South Central Region Coach of the Year, Schneider's players have reaped the rewards of his guidance. He has coached seven All-Americans, including two NCAA Division II Player of the Year selections, 13 first-team All-MIAA honorees, eight conference MVPs and seven players have gone on to play professionally, including one in the WNBA.

Schneider is well respected for being able to attract some of the nation's top talent on the recruiting trail. During his time at Emporia State Schneider signed six NJCAA All-Americans and four high school All-Americans to play for the Lady Hornets.

Schneider was a 1995 honors graduate of Wayland Baptist. During his time at Wayland, Schneider was a four-year letterman in men's basketball and was the school's first-ever academic All-American, capturing the honor three times.

Schneider's father, Bob, was one of the most successful women's coaches at the NCAA Division II level, having served as the head coach at West Texas A&M from 1981-2006. They became the first father/son combination to take teams to the Elite Eight.

Schneider and his wife Ali, have two sons, Cash and Cole.Tournament Championship and a 23-win season in 2011-12. It was the most wins by a Ladyjack team since the 2005-06 season when SFA also won 23 games and was just the fifth 20-win season of the decade. The increase in 11 wins from the 2010-11 season (12) to 2011-12 (23) was tied for the sixth-biggest turnaround in the nation.

Under Schneider's guidance, Roberts was named the 2011-12 Southland Conference Freshman of the Year, while Ashlee Mells was selected as the SLC Newcomer of the Year. Additionally, Schneider assembled a signing class that ranked 35th in the nation according to Premier Basketball Report, including four McDonald's All-American nominees.
In his first full season as head coach of the Ladyjack basketball program, Schneider led SFA to a 12-18 overall record and a 9-7 mark in conference play. The Ladyjacks clinched a trip to the Southland Conference Championship Tournament and nearly pulled off an upset of No. 3 Central Arkansas in the first round before falling, 64-58.

Schneider also oversaw the development of senior guard Tammara Marion, who was named to the All-Southland Conference Second Team. In 2010-11, Marion led the Ladyjacks and was fourth in the league averaging 16 points per game along with 3.2 rebounds and 3.2 assists. She also set the single-season record with 72 made 3-point shots. The Ladyjacks topped the conference in offensive rebounding with 16.8 boards per game.

Prior to his time at SFA, Schneider spent 12 seasons at Emporia State and became the second all-time winningest head coach at the NCAA Division II level.

At ESU, Schneider led the Lady Hornets to a 306-72 (.810) record, and the 2010 NCAA Division II National Championship. The school's all-time leader in wins and winning percentage, Schneider ranks among the all-time top 10 in fastest coaches to 100 victories, and third fastest among women's basketball coaches.

In 12 seasons at ESU, Schneider guided the Lady Hornets to 11 NCAA Tournament appearances. During that stretch, Schneider's teams recorded two 30-win seasons and nine 20-win campaigns. Along with the 2010 national championship, Schneider coached ESU to four NCAA Division II South Central Regional titles, two Final Four appearances, six regular-season conference crowns and three league tournament titles.

Schneider made it tough on conference opponents during his time with the Lady Hornets winning 80 percent of those games. ESU posted a 173-43 (.801) record versus Mid-America Intercollegiate Athletic Association (MIAA) foes. The Lady Hornets were nearly unbeatable at home sporting a 143-14 (.917) record during his tenure. Schneider posted a 39-26 (.600) record against nationally-ranked opponents, which included four wins over No. 1-ranked teams, and was 21-10 (.677) in the NCAA Tournament.

The first MIAA rookie head coach to win both the MIAA regular-season and tournament titles, Schneider was voted the Kansas Basketball Coaches Association of four-year colleges Coach of the Year in 2006. He was also a three-time MIAA Coach of the Year.

The 2010 Bulletin Women's Basketball National Coach of the Year and the WBCA South Central Region Coach of the Year, Schneider's players have reaped the rewards of his guidance. He has coached seven All-Americans, including two NCAA Division II Player of the Year selections, 13 first-team All-MIAA honorees, eight conference MVPs and seven players have gone on to play professionally, including one in the WNBA.

Well respected for being able to attract some of the nation's top talent on the recruiting trail, Schneider signed six National Junior College Athletic Association (NJCAA) All-Americans and four high school All-Americans to play for the Lady Hornets.

HOMETOWN	**Raytown, Mo.**
WIFE	**Tracy Nooner**

Terry Nooner, who has found success at all levels of basketball, including nearly a decade of experience in the women's college game, recently concluded his first season as an assistant coach at the University of Texas.

Nooner's responsibilities at Texas included instructing players at the post position, coordinating defensive schemes, as well as being heavily involved in recruiting. The 2019-20 Longhorns ranked 14th nationally in rebounds per game [43.0] and 25th in the nation in rebound margin [+7.6]. Texas, which went 19-11 on the year, earned three wins against top-25 opponents last season, including knocking off No. 1 Stanford.

Nooner directly coached a pair of standout post players in his season on the Forty Acres in Joyner Holmes and Charli Collier.

Holmes was recently selected by the WNBA's Seattle Storm with the 19th overall pick in the 2020 WNBA Draft. He worked with the post players and, in 2016, helped Maryland lead the nation with a rebounding margin of +15.1. In 2017, the Terrapins were second in the nation in rebounding margin [+13.9].

Nooner was an assistant coach at the University of Alabama for two seasons from 2013-15. Seven of those victories came in Southeastern Conference play, which were the most league wins for the Tide in more than 12 years. Alabama had several notable victories during Nooner's time there, including the first win in program history at Vanderbilt's Memorial Gym.

Nooner spent one season at his alma mater, the University of Kansas, as an assistant coach with the women's basketball team. He helped the Jayhawks to one of their most successful seasons, as Kansas finished with 20 wins in 2012-13. Kansas advanced to the fourth NCAA Sweet 16 in program history.

Nooner began his collegiate coaching career as an assistant coach at Southern Illinois in 2011-12. During that season, he worked with Cartaesha Macklin, who was named Missouri Valley Conference Freshman of the Year.

Jeff Long, named Director of Athletics by Chancellor Douglas Girod on August 1, 2018, brings over three decades of experience in athletic administration at the Division I level. Long is one of the most well-respected individuals in college athletics, which is evident by his role as the first-ever chairman of the College Football Playoff selection committee. His progressive leadership and expertise as well as his mantra of "compete, compete, compete," has already made a lasting impact on Kansas Athletics.

Under the leadership of Girod and Long, KU set the standard and stepped out front as a national leader in student-athlete health care, teaming Kansas Athletics with LMH Health and the University of Kansas Health System for a true medical oversight and healthcare compliance model. Kansas is the first collegiate program to incorporate strength and conditioning into its medical oversight reporting model, which supports the health, safety and well-being of all student-athletes.

After assessing the football program in his first few months on the job, Long and his team implemented a new fundraising campaign called Break the Cycle, aimed at building a strong infrastructure for Kansas football. The next step in that process was finding the right coach to lead the football program. Long's impact in only his second year leading the athletic department was evident by his ability to attract top candidates to fill the head football coach vacancy, which led to the hiring of Les Miles. With the hire, Long made Kansas Athletics one of the few programs in the nation that boasts national championship winning head coaches in football and men's basketball, joining head coach Bill Self.

In 2019, two new facilities were opened across the Jayhawks' campus including the Horejsi Family Volleyball Arena and a new indoor football practice facility. These state-of-the-art facilities enhance Kansas Athletics' place as an attractive destination for the best student-athletes across the globe. The historic men's basketball program, led by Hall of Fame Coach Bill Self, continued to lead the pack as Self led the Jayhawks to a nation-best 30th consecutive appearance in the NCAA Tournament.

While Long pushes effort and excellence in each sport, it is also just as important to excel in the classroom. Nearly 500 student-athletes combined to set department records some of the highest grade-point averages in both semesters during Long's first year.

Across the landscape of Jayhawk athletics, many individuals and teams continue to compete at the highest level. Junior middle-distance runner, Bryce Hoppel, won two national championships as well as three Big 12 Conference Championships. The tennis team, led by three First-Team All-American seniors, won the Big 12 Championship and reached the Sweet 16 of the NCAA Championship.

Long, and his fellow athletic directors in the Big 12, worked with the leaders at the conference to develop a branded offering on ESPN+. The Big 12 Now, exclusively streamed on ESPN+, is on the cutting edge for the future of television. Long's vision has placed Kansas Athletics and the conference in the strongest position possible before the next round of television negotiations.

At the University of Arkansas, Long led a program of 19 sports and approximately 460 student-athletes from 2008 through 2017. During that time, he transformed Arkansas' athletics department into one of the most successful in the country and established himself as a national leader within intercollegiate athletics.

During Long's tenure at Arkansas, the Razorbacks captured 34 conference championships and advanced to 139 postseason competitions, including the school's first Bowl Championship Series appearance in football, and national titles in Men's and Women's Indoor Track and Field and Women's Outdoor Track and Field. In 2016-17, Arkansas finished No. 20 in the Learfield Directors' Cup, which measures the institutions success across all sports. It marked the university's eighth top-25 finish in the previous 10 years. Long also launched a $160 million renovation to Razorback Stadium. In the classroom, the Razorbacks posted a school-record student-athlete GPA and exceeded the national APR multiyear rate in all 19 sports, including posting its highest program average ever.

In 2015, Long was recognized as the SportsBusiness Journal and SportsBusiness Daily Athletic Director of the Year, and was also a finalist for the award in 2012. Long served as the chairman of the inaugural College Football Playoff selection committee for 2014 and 2015, and remained a member of the committee through 2017. He has been active in NCAA governance, having previously served on the NCAA Management Council, the NCAA's Sports Wagering Task Force and the NCAA Championships/Sports Management Cabinet. He was also a member of the Executive Committee of the Division I-A Athletic Directors' Association.

Prior to leading Arkansas, Long served as athletics director at the University of Pittsburgh. Additionally, he has held administrative roles at the University of Oklahoma, University of Michigan, Virginia Tech University, Eastern Kentucky University and Rice University. He held coaching staff positions at Duke University, the University of Michigan and North Carolina State University. In total, he has been an athletics director or administrator in four of the Power 5 conferences — the Big 12, Big Ten, ACC and SEC.

An Ohio native, Long was a two-sport athlete at Ohio Wesleyan University, earning seven varsity letters in football and baseball before completing his degree in economics in 1982. He earned his master's in education at Miami University of Ohio while also serving as a graduate assistant football coach. He then moved on to football staff¬ positions at N.C. State, Duke and Michigan prior to joining the athletics administration at Michigan.

Long's wife, Fanny, graduated from the University of Michigan. Together they have two daughters, Stephanie, a PhD student at the University of Arkansas in cognitive neuroscience, and Christina, a junior Walter Williams Scholar in the school of journalism at a University in a bordering state to the east of Kansas.

2019-20 REVIEW

2019-20 SEASON IN REVIEW

It was an abrupt and emotional end to the 2019-20 season due to the COVID-19 outbreak in the United States; but the Kansas women's basketball team has a lot to look forward to heading into 2020-21. Not only is the team coming off its first winning season in seven years (15-14), but Kansas is also looking back on a season in which it got off to its best start (11-0) since head coach Brandon Schneider took over the program in 2015-16. The Jayhawks posted an undefeated regular season against nonconference opponents and qualified for postseason play for the first time since 2013.

The Jayhawks garnered their best home record under Schneider, collecting an 11-6 ledger inside Allen Fieldhouse. Kansas' win over Big12/SEC Challenge opponent Florida highlighted the nonconference portion of the schedule while posting conference wins over Texas Tech, Texas, Oklahoma and Oklahoma State in Big 12 play.

Kansas held a 4-14 mark in league play, which gave KU its best showing in five seasons. After getting their first Big 12 victory over Texas Tech on Jan.18, the Jayhawks stunned the Longhorns of Texas in Allen Fieldhouse (2/15/19), one of their 11 wins in the historic building. The triumph over Texas was the Jayhawks' first time defeating the Longhorns since 2013. KU claimed two more wins to round out the conference season.

The team, which finished .517 overall, was led by a handful of players throughout the season. As one of the youngest teams in the country, the Jayhawks returned six players (two seniors, three sophomores and one junior) and received seven newcomers (five freshmen and two transfers). Throughout nonconference and the first half of league play, six players averaged double figures in points. Kansas ended the season with five in double-digit scoring.

Leading the scoring effort was sophomore Aniya Thomas. The 5-foot-7 guard wrapped up the 2019-20 slate averaging 12.6 points, 4.0 rebounds, 2.3 assists and 2.0 steals per game. The Duncanville, Texas, native averaged double-figures throughout the season where she poured in 20 or more points in four games and 10 or more points on 19-of-29 occasions. Thomas posted a career-best 28 points when the Jayhawks faced TCU on Feb. 28, and a week later netted her first double-double at Texas Tech (2/12/19) with 13 points and 10 rebounds.

Thomas was not the only guard making waves in the backcourt for Kansas this season. The underclassmen showed their might and were led by two crafty guards, Holly Kersgieter and Zakiyah Franklin, who in their own right each had a standout freshman year. First-year guard Franklin nabbed the second-best scoring average on the team with 12.1 points per game and dished out a staggering 3.6 assists per game. Franklin led the Jayhawks in assists totaling 103 in her first year wearing the Crimson and Blue. Franklin scored double-figures in 20 games, which was highlighted by three 20-plus point outings. She also led her team on eight different occasions. Out of those eight, she posted a career-best 25 points versus Oklahoma on Feb. 2, the second-highest among her teammates. Franklin capped off her freshman year by becoming the third player in program history to be named a Big 12 All-Freshman Team selection.

Kersgieter kicked off the season by posting the first double-double in the first contest against Indiana State (11/7/19). The Sand Springs, Oklahoma, native scored a career-high 24 points and grabbed 10 rebounds. The freshman's dominant performance earned her the Big 12 Player and Freshman of the Week honors, a first for the program since 2015. Kersgieter also led KU from beyond the arc, shooting a team-best .405 3-point field goal %. Kersgieter finished the season as one of the five Jayhawks to average double-figure points with 10.1 points per game.

Junior transfer Tina Stephens made a huge impact in the paint for Kansas. The 6-foot-2 forward played a big role in KU's 38.6 rebounds per game season statistic. Stephens' presence in the frontcourt produced seven double-doubles. The Palmetto, Florida, native averaged 10.2 points, 7.2 rebounds and 1.7 steals per game. Her 7.2 rebounds per game put her in the top-10 of the Big 12 Conference rankings.

Seniors Mariane De Carvalho and Niccolly Ramalho finished out their Jayhawk careers leaving KU women's basketball primed for the underclassmen. De Carvalho, one of five who finished in double-digit scoring, was third-best on the team with 10.4 points and 5.1 boards per game. The Araraquara, Brazil, native had arguably the play of the year with an over-the-head, no-look pass to a streaking Stephens against Wofford (12/30/19) to cap off the decade. Ramalho, a native of Sao Paulo, Brazil, garnered a couple of top plays that displayed her tenacity as she posed as a spark for the Jayhawks on defense.

Kansas' 15 victories during the 2019-20 campaign also pushed Schneider, who is finishing his fifth year, over 450 career wins in his 22 years of coaching. Schneider's 450th win came on Dec. 22 when the Jayhawks faced Saint Louis and came out victorious in a 68-50 overtime victory in Saint Louis, Missouri.

BIG 12 CONFERENCE

The Big 12 is in its 24th year in 2019-20 as it continues to promote the strength and success of one of the nation's premier athletic conferences under the direction of seventh-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 22 years. Since it began competition in 1996-97, the league can boast of 60 NCAA team titles and 654 individual national championships.

The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 has continued the "State of Collegiate Athletics" forums the past four seasons with Dallas serving as the host site for three events and one staged in Atlanta.

Big 12 Champions for Life, an initiative of the Big 12 Conference, will begin its fourth year in 2018-19. It features student-athletes, selected by Conference institutions, in a series of public service announcements highlighting the positive impact an athletics scholarship has had on their lives leading to stories of personal growth and success.

The Big 12 was the only conference in 2017-18 that placed a team in the College Football Playoff (Oklahoma), Men's Final Four (Kansas), Men's College World Series (Texas and Texas Tech) and Women's College World Series (Oklahoma). National championships were won by Texas men's swimming & diving and Oklahoma State men's golf. UT's title was its fourth-consecutive while the Big 12 picked up its second-straight men's golf crown with Oklahoma winning it in 2017. Of the eight teams that advanced to match play in the men's golf championship, half of the field represented the Big 12.

For the first time in Conference history, the Big 12 sent 90 percent of its men's basketball teams to postseason play with seven in the NCAA Division I Men's Basketball Championship and two in the National Invitation Tournament. The Big 12 is the first league since at least 1996-97 to accomplish this feat. The Conference's 70 percent participation in the NCAA Championship was the highest of all leagues. The Big 12 led the nation in the fall of 2017 with 80 percent of its teams selected to bowl games highlighted by No. 2 Oklahoma competing in the CFP Semifinal at the Rose Bowl. The Big 12 had at least 80 percent of teams bowl eligible for the third time in Conference history (90 percent in 2010 and 80 percent in 2011). It marked just the 14th occasion since 1996 that an FBS league had at least 80 percent of teams with six-plus wins. The Big 12 has made six appearances in a CFP New Year's Bowl in the four years of the structure.

Additionally, the Big 12 added its sixth Heisman Trophy winner since 1996 with Baker Mayfield (Oklahoma) taking home the 2017 award. The Conference has had a finalist in 14 of its seasons for a total of 19 with two finalists in five seasons. Thirty-eight major individual awards have been won by Big 12 student-athletes in football over the past nine campaigns. Overall, more than 4,800 student-athletes have earned All-America recognition.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as the Academic Heisman. Gabe Ikard (Oklahoma) was presented the NCAA Today's Top 10 Award in January 2015. It recognizes former student-athletes for their successes on the fields and courts, in the classroom and in the community. Since 1996, the Big 12 has a total of 11 honorees for this prestigious award. In the last seven seasons, 14 student-athletes were recipients of the NCAA Elite 90 Award with Oklahoma State's Noah Gade (cross country), Oklahoma's Lily Miyazaki (women's tennis) and Baylor's Colin Kober (men's golf) picking up the most recent honors in 2017-18. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 650 Academic All-America recipients, averaging about 30 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Thirteen times in the past 14 years a league athlete has garnered the top academic honor for their respective sport, including Jevon Carter (West Virginia) for men's basketball in 2017-18.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsperson of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 421 scholars have received over $3.1 million in postgraduate financial aid through the first 22 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference currently conducts postseason championships for 21 of its 23 sports with the Football Championship Game returning in 2017 after a six-year absence. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

The Conference office is headquartered in Irving, Texas.

JAYHAWK RADIO NETWORK

University of Kansas women's basketball will be heard exclusively during the season on the Jayhawk Radio Network. Jimmy Chavez and David Lawrence form the broadcast team for all KU women's basketball home games. Chavez will announce the action on the road for the 2019-20 season.

The Jayhawk Radio Network is operated by Jayhawk Sports Properties, a division of Learfield IMG College with offices in Lawrence. Marc Tuttle serves as the general manager of Jayhawk Sports Properties.

Chavez enters his fourth season as the voice of Kansas women's basketball. A 2006 graduate, Chavez earned his degree in journalism from the University of Kansas. From 2010-12, Chavez served as the voice of Newman University men's and women's basketball teams. In 2011, he called the action for Bishop Carrol football in Wichita, Kansas. The San Antonio, Texas native also worked with Yahoo! Sports Radio as an update anchor, host and reporter.

Lawrence enters his sixth season with KU women's basketball and 26th season with the Jayhawk Radio Network. He also serves as host of the men's basketball network pregame "Crimson and Blue Show" and postgame "Jayhawk Locker Room Show". Lawrence worked 13 seasons as football sideline reporter and has spent the last 12 seasons as the football color analyst. A four-year letterwinner while playing tight end and offensive guard at KU, Lawrence was a team captain, offensive player of the year and an All-Big Eight selection in 1981.

BIG 12 NOW ON ESPN+

NCAA COMPLIANCE

As a fan of KU Athletics, it is important to become familiar with NCAA, Big 12 and Kansas Athletics Compliance rules. Please review the following information as a brief guide to NCAA compliance and feel free to contact our office at any time. We appreciate your support and cooperation. Rock Chalk Jayhawk!

BOOSTER DEFINED

A booster is any individual, independent agency, corporate entity (e.g., apparel or equipment manufacturer), or other organization that is known to:

- Hold, or have ever held, season tickets for any sport with Kansas Athletics;
- Have participated in, or to be a member of, an agency or organization promoting any Kansas Athletics program (e.g., University of Kansas Alumni Association, K Club, sport booster groups, etc.);
- Have made financial contributions to the athletics department or to an athletics booster organization of that institution (e.g. Hardwood Club or any sport-specific booster groups);
- Be assisting, or to have assisted in, providing benefits to enrolled student-athletes or their families, which would trigger booster status under NCAA rules. These benefits include, but are not limited to, financial assistance, use of a car, use of a cell phone, etc.;
- Provide allowable benefits (e.g., summer jobs) to enrolled student-athletes; or
- Promote Kansas Athletics in any way.

*This list is not exhaustive. Please contact the Kansas Athletics Compliance Office if you have any questions about your possible status as a booster. Once an individual or entity is deemed to be a booster it carries that status forever.

EXTRA BENEFITS

An extra benefit is any special gift or arrangement provided to a student-athlete, or student-athlete's friends or family members which is not available to the general KU student body or the general public. Should a prospective student-athlete or current student-athlete receive an extra benefit, they will be ineligible for competition.

IMPERMISSIBLE EXTRA BENEFITS EXAMPLES (THIS IS NOT AN EXHAUSTIVE LIST):

For Prospective and Current Student-Athletes:

- Cash or loans or the co-signing of loans
- Assistance with paying bills, rent or mortgages
- Use of an automobile or any other transportation
- Entertainment of admission to an event (e.g. movies, athletic events, banquets, clubs, special events/parties, concerts, etc.)
- Gifts of any kind, including those on special occasions such as birthdays, religious holidays, graduation, etc.
- Free or reduced-cost services, rentals, or purchases of any type (e.g. meals, drinks, clothing, laundry, haircuts, legal fees, tattoos, golf, car services, etc.)

- Use of your telephone or credit card
- Providing a meal or paying for a meal at a public location
- Academic assistance of any kind (e.g., tutoring, editing papers/projects, assistance in completing class work, use of computer, etc.)

PROSPECTIVE STUDENT-ATHLETES

A prospective student-athlete is anyone who has entered the ninth grade. Impermissible activities with a prospective student-athlete include:

- Having any type of recruiting communication including conversations, social media messages and letters.
- Conducting any evaluation of their ability on behalf of the Kansas coaching staff or providing evaluations to the Kansas coaching staffs.
- Contacting the prospective student-athlete. Getting involved in recruiting activities without consent from the Compliance Office could jeopardize the eligibility of the prospective student-athlete.

RECRUITING INDUCEMENT

A recruiting inducement under NCAA rules is any special gift or arrangement provided to a prospective student-athlete that is not available to the general population. The arrangement of such a benefit would be considered an improper inducement to encourage the eventual enrollment of a prospective student-athlete.

Kansas Athletics is responsible for the actions of its boosters and fans and is always available to answer any questions regarding permissible recruiting activities.

EMPLOYMENT OF A STUDENT-ATHLETE

Employment of a student-athlete is permissible, provided all six of the following conditions are met:

1. Student-athlete is only paid for the work actually performed;
2. Student-athlete is paid at the rate commensurate with the going rate in that locale for similar services;
3. Student-athlete may not be compensated in any manner for any value or utility that he or she may have for an employer because of any publicity, reputation, fame, or personal following that he/she may have because of his or her athletics ability;
4. Student-athletes must register all jobs during the academic year and the summer by completing the Student-Athlete Employment Form and returning it to the Athletics Compliance Office prior to beginning work;
5. Proof of earnings is required and all student-athletes must submit a pay stub at the end of their employment. All paperwork must be submitted along with a verification of earnings; and
6. Employers MUST confirm their employment of Kansas Athletics student-athletes prior to the student-athletes' employment.

PROMOTIONAL ACTIVITIES – STUDENT-ATHLETES

- Student-athletes are not eligible for participation in intercollegiate athletics if he/she accepts compensation, or permits the use of his/her name or pictures to promote a commercial enterprise.
- A student-athlete's name or picture may not be used to advertise, recommend, or promote directly the sale or use of a commercial product or service of any kind.
- If a student-athlete's name or picture appears on commercial items (t-shirts, playing cards, posters, photographs, etc.) or is used to promote a commercial product without the student-athlete's knowledge or permission, the student-athlete and the institution are required to take steps to stop such an activity in order to maintain the student-athlete's eligibility.

GAMBLING ACTIVITIES

NCAA rules prohibit student-athletes and athletic department staff members from participating in any sports gambling activity or providing information concerning competitions to individuals involved in organized gambling activities. Additionally, it is a violation of federal law for boosters, student-athletes, or staff members to tamper with the outcome of a collegiate contest. Please do not ask any student-athletes or staff members for information regarding student-athlete performance/injuries.
